REMEMBERING TEXAS LAWMEN

To download **Remembering Texas Lawmen** eBook, make sure you access the link under and save the ebook or have access to additional information which might be highly relevant to REMEMBERING TEXAS LAWMEN book.

Turner. Paperback. Book Condition: New. Paperback. 134 pages. Dimensions: 11.0in. x 8.5in. x 0.1in. The history of law enforcement in the Lone Star State goes back well before photography, dating to Texas days as part of the Spanish empire. After that Texas became a province of Mexico and for nearly a decade stood among the nations as an independent republic before becoming the 28th state in the Union in 1845. Beyond the contribution to law and order made by constables, sheriffs, town marshals, city police officers, and federal lawmen, Texas is the birthplace of a law enforcement institution unique in the world, the legendary Texas Rangers. With a selection of fine historic images from his best-selling book *Historic Photos of Texas Lawmen*, Mike Cox provides a valuable and revealing historical retrospective on this important aspect of Texas history. *Remembering Texas Lawmen* features more than 125 images of Texas lawmen, bad men (and a few bad women), assorted characters with a law enforcement connection like the legendary Judge Roy Bean, and shots of the places they did their work for good or bad. Each photograph has a story to tell, and all of the images command attention, many as attention-getting as the business end of a Texas Rangers . 45. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
