Createspace, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.After having helped hundreds of clients with their Move-In Cleaning Projects, Maria decided to put it all together into a system that can be implemented right away. If you follow this system step by step, you will be able to achieve the time freedom from moving into your new home, plus get a brand new healthy home for you and your family. But most importantly, you will be able to move into your new home with confidence, and you will be able to manage this mega project into easy actionable steps. In this book, Maria will be showing you how to delegate the duties so that you can have an easy flow of your cleaning service project before you move in. Maria will also show you how you can achieve a healthy home by using the right products and tools. If you stick with this system, Maria will show you how you can almost put this whole project in auto pilot by knowing how to effectively and efficiently delegate. So you can have the peace of mind that your home will be immaculate clean before the movers bring all of your furniture and all your stuff into your home. You can apply all these techniques immediately, as this is exactly what Maria uses to roll out our cleaning service teams on every Move-In Cleaning we perform every day. This system has been mastered and improved several times, just to make sure you only get the best of the best, increase your time leverage, maximize your resources, and can finally take a hot shower in a brand new healthy bathroom, while your kids play on the floor. This book...
