

Loveless Love

By Pirandello, Luigi. Nichols, J.G., Translator.

Hesperus. 1 Paperback(s), 2005. soft. Book Condition: New. Rigid, psychological, and deeply bitter, these three short stories from Nobel Prize winner Luigi Pirandello best known for his play *Six Characters in Search of an Author* tell of the sorrow of unfulfilled, untold love. "The Wave" chillingly introduces the dual themes of frustration and bitterness that preoccupy Pirandello's other tales. In "The Signorina," a woman, deeply disillusioned with her suitor's inability to express his feelings, makes a rash decision that only leads to greater despondency; and in "A Friend to the Wives," a society lady re-creates herself into the ideal of womanhood so much so that every potential lover finds her unattainable. 114.
