GOLDEN THRONE: A ROMANCE (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Golden Throne: A Romance I wish this effort to be judged not simply as a novel but as a book written with a purpose, - to express the poetry and romance that lie in the scientific conception of the universe. With the passing away of the old ideas, there is no loss of their real beauty and grandeur. They still remain in the hope and progress of the race in new and more brilliant forms. Science is a revealer of boundless possibilities. It does not destroy, it builds up. It carries on the life of the race, not by breaking, but by unfolding what is noblest in the achievements of the past. With new standards of duty and happiness, virtue becomes more splendid and attractive. I have endeavored, though imperfectly, to express in the lights and shades of fiction these fresh and varied aspects of the world, to delineate the ampler thoughts and feelings that we have when we accept things as they really are. In the surrender of theology, we come to Man himself, with his wonderful faculties and character and growth; and herein is room for the largest imagination. The loves and aspirations of man do not grow less, but greater, with his advancing attainments. Literature and art feed upon the truth; and in the truth as science, and science only, can make it known, will the genius of man reach its grandest exaltation, and rejoice in its richest inspiration. I dedicate this book to all those who believe in liberty, science, and humanity, and who labor for the welfare of This World.
