Brand New Book ***** Print on Demand *****.Excerpt from Report on Analysis of Five-Year Building Program of Board of Education, 1917: Proposed Two and Three Year School Building Programs Gentlemen: The Committee on Municipal Research, at your direction, has analyzed in detail the Five Year Building Program of the Board of Education presented in the monograph A Million a Year. The Committee reports that, in its opinion, the amount requested, \$5,600,000, may be reduced to \$4,498,220, and that the smaller amount will still make adequate provision for the expansion of the school plant necessary to operate the schools during the next five years, according to the educational program adopted by the Board of Education, the correctness of which the Committee has accepted for the purpose of this analysis. Before completing its report the Committee submitted its preliminary findings to Dr. Spaulding and his criticisms and suggestions were carefully considered in preparing the final report. As the estimates of the Board of Education for the last part of the five year period are necessarily dependent on factors which cannot be definitely determined so far in...
