Brand New Book ***** Print on Demand *****.If you lived in Bible times, who would you approach when a problem came up? Did you answer, prophets, priests, and kings? The author investigated this question for months. He found that God chose people who had no heroic backgrounds, no leadership abilities, and most of them did not come from a wealthy family. They came from different backgrounds but the one thing they had in common was that they all were ready to go to their death for God. Another interesting thing he discovered about them was the Holy Spirit gave them power and God worked through them. God let them see what He was doing, and He did all these wonders and mysteries through them, even though they could not understand it. Jesus used the same method with His disciples, and He teaches us today through His parables. He gave us the knowledge of the Kingdom of God. He even proclaimed that He and the Father are one. And this makes Him the Prophet of all prophets, Priest of all priests, and King of all kings. Read this book and let God open your eyes! Bennie Hines and his wife, Donna, met at college and later married. He has worked with youth many years in vocations and prison ministry. He holds degrees in Theology, Criminal Justice, and Corrections.
