Egypt and the Limits of Hellenism

By Assistant Professor Ian S Moyer

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In a series of studies, Ian Moyer explores the ancient history and modern historiography of relations between Egypt and Greece from the fifth century BCE to the early Roman empire. Beginning with Herodotus, he analyzes key encounters between Greeks and Egyptian priests, the bearers of Egypt's ancient traditions. Four moments unfold as rich micro-histories of cross-cultural interaction: Herodotus interviews with priests at Thebes; Manetho's composition of an Egyptian history in Greek; the struggles of Egyptian priests on Delos; and a Greek physician's quest for magic in Egypt. In writing these histories, the author moves beyond Orientalizing representations of the Other and colonial metanarratives of the civilizing process to reveal interactions between Greeks and Egyptians as transactional processes in which the traditions, discourses and pragmatic interests of both sides shaped the outcome. The result is a dialogical history of cultural and intellectual exchanges between the great civilizations of Greece and Egypt.

Reviews

A new e book with a brand new standpoint. I am quite late in start reading this one, but better then never. I discovered this ebook from my i and dad advised this publication to understand.

-- Jada Franecki II

Here is the very best book i have got read through until now. I could possibly comprehended everything using this composed e publication. You will not sense monotony at whenever you want of your time (that's what catalogues are for concerning should you ask me).
