Atheneum Books for Young Readers, United States, 2003. Hardback. Book Condition: New. 213 x 147 mm. Language: English . Brand New Book. If you want to know the truth. Sometimes I m not sure who I am anymore. Thirteen. It s an age of wonder.or dread. The best year of your life.or maybe the worst ever. You ve just become an official teenager, even though you re not quite sure you feel like one, but you re no longer a kid, either. Here, from fourteen different points of view, are stories about that wonderful, terrible time. The big bar mitzvah that goes suddenly, wildly, hilariously out of control. A first kiss -- and a realization about one s sexual orientation. A crush on a girl that ends up putting the boy who likes her in the hospital. A pair of sneakers that a kid has to have, no matter what. Written by some of today s finest writers for young adults, these stories -- by turns funny and sad, wrenching and moving -- truly capture the agony and ecstasy of being thirteen.
