Its Christmas, a joyous sing along as a child is born into the family. Charlie and Jay are your typical house pets. Or are they? They can and do get into the same adventures and misadventures as the children in their audiences. Charlie, short for Prince Charlemagne de Coquille, a French Briard puppy, and Jay, short for Jaida de les Etoiles (Pronounced: Aye-twaa-lay), which is French for Jaida of the Stars, is a Persian Red Point cat. Charlie and Jay wake on the eve of Christmas. They become deeply embroiled in their breeding credentials as Jay teaches Charlie the art of singing Christmas carols. They continue singing, which disturbs and wakens Master and Mistress. Unknown to them Mistress is pregnant with their first child, and it is due momentarily. The play takes place in the living room of a middle-income family home in Yourtown, USA. Jay has been the queen of the house for seven years. Charlie is a newly acquired puppy. They have the run of the house.
