WestBow Press, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This novel may be one of the most controversial books of the century and for centuries to come. Laser Curtain reveals the real essence of two existing economic systems-the capitalistic West and communistic East. Through the face-to-face conversations, the book confronts Americans and Soviets, defectors and real communists, patriots and spies. Laser Curtain unveils the inside of the White House and the dark cabinets hidden behind the iron-clad windows of the Kremlin. It brushes through presidential speeches and secret discussions of their aides, and yet it is adventurous, artistic, romantic, frightening and funny futuristic fiction. This narrative is intended for the poor and the rich, teenagers and adults, communists and capitalists, militants, priests and presidents. It is for every person on this planet because it concerns everyone's future. It must be delivered to the people.
