Reviews

An extremely wonderful pdf with lucid and perfect explanations. I could possibly comprehend every little thing out of this created e pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Janie Wilkinson)

GREAT CAPTAINS: A COURSE OF SIX LECTURES SHOWING THE INFLUENCES ON THE ART OF WAR OF THE CAMPAIGNS OF ALEXANDER, HANNIBAL, CAESAR, GUSTAVUS ADOLPHUS, FREDERICK, AND NAPOLEON (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Great Captains: A Course of Six Lectures Showing the Influences on the Art of War of the Campaigns of Alexander, Hannibal, Caesar, Gustavus Adolphus, Frederick, and Napoleon The following lectures were delivered in Boston, under the auspices of the Lowell Institute, in January, 1889. Their conciseness needs but the apology of scant time. Little can be said about Alexander or Napoleon within the limit of an hour. The sketches are of necessity meagre. They are a summary in part of a larger work, of which the author hopes soon to begin the publication, in which a volume will be devoted to each great captain, and mention made of other soldiers who have contributed to the growth of the art of war. The lectures aim to indicate briefly what we owe to the great captains, and to draw an intelligible outline of their careers, which may be filled in by reference to the extended narratives of others. Historical detail often assumes prominence in the mind to the exclusion of general form. It is the latter which it is attempted to portray. It is generally admitted that Alexander, Hannibal, Caesar, Frederick, and Napoleon belong in a class by themselves. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
