DEADLY DIABOLICAL GAMES

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Deadly Diabolical Games is a book about sinful games that some of us enter into. This does not make me a super saint but I have committed some of them before I became a Christian. The only way I stand now is to daily depend on the Holy Spirit to help me to overcome. My daily prayer involved asking our Creator lead us not into temptation but deliver us from the evil one. We face temptations to sin on a daily basis and have to tirelessly submit yourself to God, resist the devil and he will flee from you. The deadly games I touched on though not all of them involves sexual sin, alcohol, drugs, witchcraft, love of money, killing our so called enemies, stealing justifying that I m in need. I personally do not believe in blaming somebody else for my mistake or sin. I cannot blame misbehavior and say it is because my mother and father rejected me as a child. I cannot become a prostitute and say God understands that I need money. I cannot drink alcohol and take drugs and say God knows I take these because everyone is doing it. Also that I m frustrated because of unemployment rate that is high. Some people become alcoholics and blame others for it. While going through hardship I was offered alcohol to help me cope with stress. My response was that I have the Holy Spirit, my Helper. I say this based on my personal experience. I cannot go around hating White people or Black people for the racism injustice I have suffered. I was born in a multi-racial family. I being amongst a few...
