XXXXX Resilient by My Own Bootstraps Laced with Faith is a riveting and true story of author Dinae Knox s triumphant recovery from a childhood of extreme corporeal and sexual abuse and neglect, mental institutionalization, and a life of crime with mere faith in a force she came to know as God. Through her self-help journal and nonprofit organization, she strives to encourage individuals to chart their path toward recovery, triumph over adverse effects, and become people of excellence. This work will inspire people of stature to lend a helping hand, listening ear, or soft shoulder to those individuals on their journey toward recovery. Knox s faith in God has allowed her to overcome much adversity, realize several victories, and achieve many goals. She has had the opportunity to graduate college, learn foreign languages, work for several Fortune 500 companies, and found a nonprofit organization. She believes her greatest accomplishment is that her testimony, resources, and talents will be of great service to millions of individuals who share the experiences of her own past.
