Queue Tips: Discovering Your Next Great Movie

By Rob Christopher

Huron Street Press. Paperback. Book Condition: new. BRAND NEW, Queue Tips: Discovering Your Next Great Movie, Rob Christopher, Offering carefully cultivated suggestions that diverge widely from garden-variety lists, this guide for the at-home movie viewer incorporates classic films with those more obscure for a full menu of watch-worthy movies. Online streaming services often present their own recommendation services, but little is provided about each film beyond a brief synopsis, usually requiring further research. This all-in-one recommendation source provides descriptions, capsule reviews, trivia, and helpful tips on where to locate the movie -- whether in DVD format or online. Hosting a mini film festival or co-ordinating the programming for a film class or club becomes an easy undertaking with this guide on hand, or it could simply be the solution for any given Friday night. Figures such as authors, film bloggers, and columnists contribute to the suggestions, incorporating the respected views of people that include Bilge Ebiri, Barry Gifford, and Ignatiy Vishnevetsky -- the cohost of Roger Ebert Presents At the Movies.
