Pickwick Publications, United States, 2013. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Description: This book is the follow-up volume to Pentecostalism and Christian Unity: Ecumenical Documents and Critical Assessments. The first volume documented the history and ecumenical engagement of Pentecostals during the twentieth century. This new collection traces the ecumenical developments, narratives, and conversations during the first decade of the twenty-first century. The ecumenical community and Pentecostals have consistently lamented the absence of a comprehensive gathering of resources for both groups. This particular volume provides two significant assets in this regard: (1) documentation of new and emerging conversations that have not yet produced official reports, and (2) official reports from continuing conversations. The book begins with an overview of a century of Pentecostal participation in Christian unity. Part One contains ecumenical narratives on the Joint Consultative Group of Pentecostals and the World Council of Churches, Lutherans and Pentecostals, the Global Christian Forum, and Christian Churches Together in the USA. Part Two contains the extensive reports from the official dialogue of Pentecostals with the Roman Catholic Church, the World Alliance of Reformed Churches, and the Oneness-Trinitarian Pentecostal dialogue. This collection presents an invaluable resource for teachers, scholars, and pastors interested in engaging the global Christian arena from the worldwide and ecumenical perspectives of Pentecostalism. Endorsements: Wolfgang Vondey s latest collection of twenty-first-century reports, the fruit of a variety of ecumenical dialogues with pentecostal participation, should go far toward informing Pentecostals of the facts. They should also alleviate pentecostal fears concerning the theological agenda of the ecumenical movement and those Pentecostals who have been called to work in it. --Cecil M. Robeck, Jr., Professor of Church History and Ecumenics, Fuller Theological Seminary The second volume of Pentecostalism and Christian Unity, like...
