Brand New Book ***** Print on Demand *****.Welcome to our New Mini Guides series. The purpose of these guides is to provide a simple training guide in a variety of KBB and Interior Designer or even Exterior Designer titles which extract the highly focussed information from our giant tomes that ran about 1000 pages and which would cost a lot more than you would wish to pay or we would wish to charge, With our compact mini guides you can acquire any of the titles at an extremely modest targeted sum.This is our fifth KBB 3d drawing Mini Guide covering Birds eye perspective drawing and our sixth overall. This completes our basic KBB drawing subject guides but there are still more drawing and designing guides planned, The most important being Kitchen Designing and Bathroom Designing. All books cover the requirements for a diploma in the AKBB prof. series.
