As incidental to this relief, the court may direct an account to be taken of the profits realized by the infringer. Where an infringement consists in making use of part of a copyrighted work in connection with other matter, the injunction will be so granted as to prevent the publication of that portion of the infringer s book which is open to objection, without reference to the fact that the order of the court may make the book, thus shorn of a portion of its contents, valueless. Severe penalties and forfeitures are also imposed by statute law upon persons who knowingly violate the provisions of the copyright acts. LEGAL HOLIDAYS IN THE VARIOUS STATES January 1.
