I just started off reading this article pdf. It really is simplistic but shocks in the fifty percent of your ebook. You will not truly feel monotony at at any time of the time (that's what catalogues are for about when you request me).

THOUGHTS, DREAMS, SHORT STORIES AND POETRY OF A HALF WITTY MIND

AUTHORHOUSE, United States, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.To be honest this is my second book that is being published through Author house. However, it is my first love of creativity with in one s mind. My family pride themselves in many ways to entertain each others on Sunday afternoon. When I was young, we had a little competition over the years between five of us. All had talent by sing, dancing and recital of plays or poetry. I myself followed Shakespeare sonnets, plus a wide range of stage plays by the great writer. So being who I am over the years of my life, I wrote down moments that I found amusing over forty years. To my surprise, I found over one hundred old notebooks. I having my experience with the first book which I name Dragon Eye Chronicles, it gave me the confidence to select two hundred poems for your entertainment. Of course, I rewrote and updated it to fit today s style of the society that we all choose to follow or protest for better life. I split up the book in six volumes that cover a wide range of material. Each sections is covering certain periods of my life. Growing up from a child, teenager, adult finding love, losing one s self with the outside influences. Please enjoy with a little soft music, red wine and candle light to capture the small love poems that I used in my youth and in closing I hope you enjoy them.
