

Think Positive (and See the Results in Your Internet Business)

By Allan Varnes

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.What is positive thinking? Before putting the powers of positive thinking to work in your personal and professional life, you must first understand exactly what positive thinking is. By definition, the word positive means dealing with matters of fact; expressed clearly, or in a confident or peremptory manner. However, in the concept of positive thinking, the word positive is meant to signify a manner of thinking: a manner that puts emphasis on processing thoughts in a more desirable, upbeat way. Positive thinking can be described as the practice of embracing the affirmative in our thoughts, our feelings, our actions, our reactions and our speech. Positive thinking can also be described as a type of attitude. Happy, optimistic people are usually described as having positive attitudes and expressing positive thoughts. People who consistently look on the bright side are utilising positive thinking. Most importantly, positive thinking can be described as a skill that can be acquired by anyone. By learning the process of positive thinking, you can more easily reach your goals, whether they are personal goals or professional...
