Xlibris Corporation, United States, 2006. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Overtime I ve learned the nature of purpose. In theory, we all pursue life seeking some form of validation. What cultivates uniqueness? What empowerment can we offer the world? How can we improve ourselves? These questions have sent me on a provocative journey- The Poetic Zeal. This literature is presented in five categories. The first chapter illustrates self- reckoning. In my teen years my mother would always tell me, Son, success is not determined by where you come from- it s about where you are going. Mothers it seems know best. However once in college, I put a slight twist to her saying. I have a faith that success is not only measured by where one is going or from. It s about what you want in life and the desire to achieve goals will ultimately lead you to the success. Sometimes life s experience has led me to believe that sticking with the program and staying where you are was the virtuous act. In my continued battle of that assertion, I come to the conclusion that the threat of regression is greater than the fear of subjection. Nevertheless, I ve acquired the instinct to accept trails and tribulations of the past as a lesson, while acknowledging the present and forgoing the future. Expressions in Japanese calligraphy (Shodou) are great examples of poetic method. The Western absorption of this art influenced the development of haiku. Haikus are a structure of three stanzas with a distinct set of syllables (respectively 5, 7, and 5.) In relevance to the facets of form, the second chapter of this book features a composition of haiku s. The third chapter addresses the predominating and prevalent issues...
