

## Carrots and Jaffas

By Howard Goldenberg

Hybrid Publishers, Australia, 2014. Paperback. Book Condition: New. 232 x 154 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Carrots and Jaffas tells the story of two red-headed identical twins whose oneness is ruptured when one of them is kidnapped. Their startling intimacy is both a strength and a fault line in their being, and once separated, their individuality emerges. In the course of this exhilarating domestic tale set in Melbourne and the Flinders Ranges, the reader encounters the twins parents - emotional, scripture-quoting Luisa and calm Bernard - as well as two remarkable storytellers, Doc, an eccentric outback doctor and Greta, an Aboriginal elder. Trauma is followed by recovery through the unexpected agency of story and country (in the Australian Aboriginal meaning of that term). What the critics said about Raft: A sensitive and caring glimpse of lives that most of us never see. - Noel Shaw, Examiner Through his measured and beautifully constructed words, we are privileged to glimpse an ancient land and its people through the eyes of a perceptive and sophisticated, but essentially generous, man. - Alan Gold.
