Breaking the Silence: The Kahui Case

By Ian Wishart

Howling at the Moon Publishing Ltd, New Zealand, 2011. Paperback. Book Condition: New. 208 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.The most controversial book on family violence published this year, BREAKING SILENCE was initially banned from major book chains after a 50,000 strong Facebook boycott campaign ripped across New Zealand, Australia, the United States and the UK protesting its publication. The boycott campaign had been based on false information, however, and designed to deliberately whip up public hysteria during a Coroner s Court hearing into the deaths of two twins. Now that the book has been published the critics are praising it. Breaking Silence uses the life story of mother Macsyna King as the narrative to explore the problem of intergenerational child abuse and its impact on modern society. Herself the victim of terrible abuse and abandonment as a child, King s life falls apart when her premature identical twin sons are murdered and the father is charged with the crime. Although we frequently hear about such cases, it is rare to hear from one of the key participants in her own words. Breaking Silence is the story of a mother s journey to hell and...

Reviews

Very useful to all of category of people. I actually have read through and that i am sure that i will likely to go through once more again in the foreseeable future. I realized this book from my i and dad advised this publication to find out.

-- **Alta Kirlin**

This is the very best publication i have got read until now. It is definitely simplified but shocks within the fifty percent of the pdf. You may like how the article writer create this pdf.
