Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The novel, The Martian, very skillfully captures the attention of the science fiction lovers as well as young adults. Andy Weir s ability is showcased by exquisite portrayal of a story woven around a person who was stranded on Mars. The story covers up the hurdles faced by Mark Watney when he was deserted accidentally on the surface of Mars during their space mission. He had to utilize the limited resources available and needed to reach a place from where he could be recovered. To rescue Mark, a rescue mission was proposed by his previous crew mates and administration at NASA. In fact, the bans will only promote the book as the readers will be curious...
