Brand New Book ***** Print on Demand *****.A government is the system by which a state or community is governed. This usage is analogous to what is called an administration . A form of government refers to the set of political systems and institutions that make up the organisation of a specific government. Government of any kind affects every human activity in many important ways. For this reason, political scientists generally argue that government should not be studied by itself; but should be studied along with anthropology, economics, history, philosophy, and sociology. Over the centuries, the world has seen different types of governments. The Classical Greek philosopher Plato discusses five types of regimes - aristocracy, timocracy, oligarchy, democracy and tyranny. These five regimes progressively degenerate starting with aristocracy at the top and tyranny at the bottom. Then there are many other forms of government like monarchy, genocracy, kratocracy, meritocracy, autocracy, dictatorship, fascism, diarchy, nepotocracy, kleptocracy, ochlocracy, netocracy, theocracy, stratocracy, plutocracy, maoism, anocracy, anarchy, bureaucracy, feudalism, magocracy and technocracy. History has witnessed each of these regimes at one point in time or the...
